DIAMONIZER[®]

**SUPERIOR CARBON CERAMIC BASED
4-CYCLE ENGINE**

HIGH PERFORMANCE ENHANCER

PRODUCT ICE-HP

This product will:

- Increase horsepower throughput of your car by up to 5% (due to reduced transmission's friction losses and improved lubrication)
- Increase engine's operating life
- Reduce engine's operating temperature.
- Stabilize engine performance.
- Minimize bearing heat, ring sticking, piston seizure and carbon deposits.
